

Learning about Letters At Home

Give your child MANY opportunities to explore letters!

Things to Remember

- Learning about letters should be fun!
- Hands on experiences make the most impact.
- There are 26 letters (52 if you count uppercase and lowercase separately) in the alphabet. That's a lot of letters to learn.
- Start with the letters in your child's name and build from there. Go slowly. It will take time.

A Child's NAME

It is very likely that the first letter a child will learn is the first letter in his/her name. The next letters he/she will likely learn are the rest of the letters in his/her name and other important words such as mom and dad. Do activities with only the letters in your child's name and build from there!

Starfall is a fun, interactive website and app to help your child learn his/her letters.

Notice Letters Everywhere

The more you notice letters the more a child's curiosity about letters builds! It will make a HUGE difference! It is so exciting when your child begins noticing letters and starts asking you about the letters!

Go on a letter hunt around your home. Notice and talk about the letters you see!

When you are out in the community or in the car, notice the letters on signs, menus, ads, and labels.

Get magnet letters for the refrigerator. Start with just the letters in their name and SLOWLY add more and more letters.

FUN ACTIVITIES TO TRY

- Go outside and make letters with chalk. Erase/trace the chalk with a wet paint brush.
- Make Lego or block letters. Write letters or add letter stickers on the sides of your child's legos and/or blocks. As they build, they can notice, talk about, and learn their letters.
- Go to the library and check out a few alphabet books. Notice and compare what the letters represent in each book.
- Make a name or word collage. Write a word or their name on a piece of paper. Have your child place stickers, dots, tissue paper, beads, etc. on top of the letters you made.
- Make letters with playdoh. First, roll the playdoh into rolls (snakes). Use the rolls to form the letters. You can also use letter cookie cutters!
- Play letters hide and seek! Take your magnet letters and hide them around the room and then find them! Put the letters in order at the end to make sure you have found all the letters!
- Sensory letters! Sprinkle salt, flour, or oatmeal onto a cookie sheet. Your child can use a finger to make letters. Gently shake the tray to erase so you can make more.
- Make a letter collage. Get a magazine or a store ad. Have your child cut out the letters they find. Glue the letters all over the page randomly. Glue matching letters next to each other. Put them in ABC order, or make words with the letters.

In the Tub

Bath time can be a fun time to learn about and make letters.

- Get foam letters for the tub. Start with the letters in their name and gradually add more SLOWLY.
- Lather shaving cream on the tub wall and practice making letters in the shaving cream.
