# READING FOR JUST 10 - 15 MINUTES A DAY WILL BENEFIT YOUR CHILD!

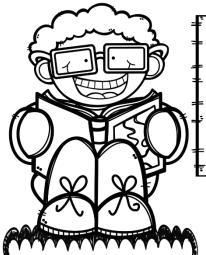

## Telling, Retelling, and Understanding

- •Before reading, make predictions and ask questions. What is the story going to be about?
- •Talk about new words and their meaning.
- •Make connections to his/her life, other books, and/or movies/TV. What does this remind you of (another book, something that happened to them, a place, a TV show)?
- •Talk, comment, and ask questions about the characters and setting as you read the book. How does the character feel? Where is the character at the beginning/middle/end of the book?
- •After you read the book, have your child retell you the story in order.
- •Act out the story! Make different voices for each character. Use props and have fun!
- •Have your child "read" the book (your child will make up the words that may or may not match the text and use the pictures as a guide).
